Supervision Policy

Introduction

This policy was originally formulated in 2003, redrafted and updated in April 2019. It applies to all staff and children during school hours, break times, and on all school related activities.

The policy should be read in conjunction with other school policies including our Child Protection Policy, Anti-Bullying Policy, Code of Behaviour, Attendance and our Health and Safety Statement.

Rationale

The rules for National Schools 121(4) and 124(1) obliges teachers to take all reasonable precautions to ensure the safety of pupils and to participate in supervising pupils during school time and during all school related activities.

Legislation such as the Health Safety and Welfare at Work Act and recent Court judgments have placed a "duty of care" and accountability on schools that must be underpinned by a policy covering all possible eventualities.

The safety and well-being of every pupil attending Craggagh N.S. is of primary importance to the whole school community and it was therefore deemed necessary to formulate a detailed policy

document outlining the care and supervision provided for pupils while in school or taking part in school-based activities.

Relationship to the Characteristic Ethos of the School

This policy is in keeping with the school ethos of providing a happy, safe and secure environment for learning for all pupils and the wider school community.

Aims and Objectives

- *To develop a framework that effectively ensures, as far as is practicable, the safety of children while at play on the yard or while engaged in school related activities.
- * To observe and monitor behavioural patterns outside the confines of the classroom.
- *To contribute to effective school management and comply with relevant legislation.

School Procedures

All teachers are assigned supervision duties.

School opens at 9.10 a.m. and formal class teaching start at 9.20.

All children are expected to be punctual. No responsibility is or will be accepted by the BOM or school staff for pupils arriving on the school grounds and premises before that time. The school day ends

at 2.00 p.m. for infants and at 3.00 p.m. for the rest of the children. Children should be collected punctually.

At the beginning of each school year, parents are reminded of these times in a welcome back letter and the school rules outlined.

It is the policy of the school to supervise the school yard at all times during breaks i.e. 11.00 am to 11.10 am, 12.30pm to 1.00pm.

Teachers assume a duty of care at 9.10 am.

Children assemble on the school yard and are brought into their classroom by their teacher. From then on, no child can leave the school premises without being accompanied by a teacher or called for by a parent or other nominated and recognised person.

A rota for supervision is drawn up by the Principal in consultation with staff and this rota is displayed on the staff room notice board.

Rules of the school yard are reviewed and revised continually and communicated to children regularly.

Children are assigned to various yards and this is reviewed regularly depending on the condition of the playing field.

Children may only remain inside if they are sick and have a written note from a parent/guardian.

It is our belief that if children are well enough to be in school, then if they are well wrapped up - fresh air will only be beneficial to them. If parents indicate a worry about a particular child on the

yard all teachers/personnel rostered for yard duty are informed of the concern so that the particular concerns can be addressed satisfactorily.

Teachers on yard duty remain with the classes until the class teacher returns from break.

Teachers taking an EPV day can swap supervision duties with a willing colleague.

If a teacher is unexpectedly absent a volunteer colleague will assume his/her duties in a reciprocal arrangement if a substitute teacher is not employable.

A Special Needs Assistant (SNA) is on duty during both breaks.

While the SNA provides individual supervision for designated Special Needs children, they can act in an observing and reporting capacity, bringing instances of misbehaviour to the attention of the teacher on yard duty.

The schools Anti-bullying and Code of Behaviour Policies cover incidents of misbehaviour.

Children with injuries/complaints are dealt with directly by the teacher/personnel on yard duty. Children are not permitted to report directly to the staff room if there is an incident on the yard. First Aid boxes and Accident Report books are kept as a matter of procedure.

All accidents where there is injury involved should be noted in the Accident/Incident Report Book by the teachers/personnel on supervision or by the relevant class teacher.

Where teachers suspect that a child is unwell, parents/guardians are alerted, usually by phone.

At all other times during the day each teacher is responsible for the supervision of all children under their care.

Unless unavoidable, teachers should never leave their classroom unsupervised. At dismissal time in the evening each class teacher walks his or her class to the school door. No supervision is provided outside the school gate. In the extreme instance whereby a parent has been delayed, the child/children inform the teachers and every effort will be made to contact the parent or to wait until the child/children are taken home, either by the delayed person who arrives late or a person nominated by the child's parent verbally over the phone or a contact person named on the child's enrolment form.

Special Provisions

For out of school activities such as games, swimming, tours, back up provisions are put in place to ensure adequate levels of supervision are put in place. The level of supervision is usually one adult per 15 children with individual teachers in charge of specific groups. If a teacher is called from his/her classroom to meet with a parent, another member of staff may be released to cover.

However, it is school policy to request parents to make appointments. On wet days, children remain in their classes with a teacher and SNA on duty. The SNA remain in the classroom to which they are primarily attached.

Children from senior classes may assist the class teacher in the Junior Classes. It is the responsibility of the teacher on yard-duty on any given day to decide if the weather is too inclement to go outside. Normal school rules apply at break-time and these are dealt with in our Code of Behaviour. When visiting teachers/facilitators help out in the school, teachers are encouraged to maintain a presence. The school Safety Statement lists all hazards on the schoolyard and supervisors are accordingly briefed.

Roles and Responsibilities for implementation of this policy:

1. Each teacher will be responsible for supervision at designated times as already outlined in this policy.
2. The Principal Teacher will have ultimate responsibility for ensuring that good practice is carried out and adhered to.
